

Subject: IHPA Work Program 2018-19 - Public consultation

Thank you for the opportunity to review and comment on IHPA's work program for 2018-19.

We recognise the breadth of the work you are doing, and appreciate your commitment to engaging with stakeholders; both at the strategic and detailed levels.

Further to the work you are undertaking on teaching, training and research, we appreciate the complexity of this task however would like reiterate our view that the exclusion of embedded training from the classification is a significant problem that should be addressed.

Please don't hesitate to contact us if you'd like to discuss this matter further.

Regards
